

Delta Dental Premier Family Enhanced with Out-of-Network Coverage Benefit Summary

Easy Access and Great Value – Your Delta Dental Networks

As a Delta Dental Premier with National Coverage subscriber, you have access to Delta Dental's extensive national network — Delta Dental Premier is the largest dental network in the country with over 223,000 dentist locations. Three out of four dentists nationwide participate in this network.

With Delta Dental Premier, you enjoy the greatest savings in out-of-pocket expenses when visiting a dentist who participates in the Delta Dental Premier network. Participating dentists typically accept discounted fees for their services, and since your co-payments are based on these fees, you pay lower out-of-pocket costs for your care. You will still receive coverage if you visit a non-participating dentist, but your benefit will be at the out-of-network level shown in the right-hand column of this coverage summary.

To find a dentist, simply visit www.deltadentalma.com (click on the Find a Dentist link and select Delta Dental Premier) or call Delta Dental customer service at 1-800-872-0500.
